

Holiday in the sun— Developing criteria for success

1. Meeting the requirements of the design challenge

Examine the **design challenge** (reproduced below) to identify criteria for success. Record your responses in the table that follows:

Design challenge

Your challenge is to design a **sun-savvy outfit** that promotes stylish sun safety. The outfit is to be for **one of your activities** when on holiday—exploring the beach, going on a picnic, going to a pool or beach party, relaxing after a swim, sightseeing etc. You do not need to make the outfit.

Prompts	Criteria for success
What is the major criterion for the design of the outfit?	
For which activity did you choose to design the outfit?	<i>Suitable for:</i>

2. Meeting your client's needs

Prompts	Criteria for success (maximum 4)
Refer to Student response 19: The needs of my client or target market and/or Student response 20: Image Board to identify criteria for success in meeting the client's needs.	<ul style="list-style-type: none"> • • • •
In order of importance, list the top three or four features of the intended design that are 'very important' to your client.	

3. Your illustrations/drawings

Prompts	Criteria for success for the quality of illustrations (maximum 3)
What are indicators of high-quality illustrations? Useful words: detailed, accurate, correct terminology, well labelled, correct proportions.	<ul style="list-style-type: none"> • • •

4. Processes used

How will you make judgments about how successful you were with your processes? Remember, this is about the actual processes, NOT the outputs of the processes.

Prompts	Criteria for success *
4.1 Investigating your client’s needs. Useful words/phrases: comprehensive, detailed, useful, all necessary information collected	•
4.2 Generating design ideas and a design solution. Useful words/phrases: good experimentation, good critique of ideas	•
4.3 Communicating your designs (your illustrations). Useful word bank: correct tools, equipment and techniques used, well labelled	•
4.4 Managing your project. Useful words/phrases: efficient, good time management, used feedback, good project plan, followed my plan	•

*Choose only one for each process—the most important one.

Summarise your analyses by completing the following table of criteria for success:

	Criteria for success
Requirements of design challenge [the design solution] (Q1)	• •
Meeting the client’s need (Q2)	• • • •
The illustrations (Q3)	• • •
Processes (Q4)	•
• Investigating your client’s needs	•
• Generating design ideas and a design solution	•
• Communicating your design solutions (your illustrations)	•
• Managing your project	•
